Administrative Review for Change of Ownership
Site Use: Restaurant
Applicant: My Kieu Huynh
Location: 682 N. Saint Asaph Street (Parcel Address: 615 North Washington Street)
Zone: CRMU/X: Commercial Residential Mixed Use (Old Town North) Zone

Request

Special Use Permit #2016-0044 is a request to change ownership of a restaurant, formerly known as Teatism, from Vitaltea, LLC to My Kieu Huynh. No changes to the operation are proposed and the applicant proposes to continue operating a restaurant of approximately 4,700 square feet with dine-in, delivery, and carry-out options. A single delivery vehicle would be used to deliver food. The applicant does not propose any live entertainment and would offer on-premises alcohol sales to include mixed drinks, beer, and wine. The applicant plans to maintain the following seating and hours:

	<u>Seats</u>	<u>Hours</u>
Indoors	157 Seats	7:30 a.m. – 11 p.m., Sunday – Thursday 7:30 a.m. – 12 a.m., Midnight, Friday- Saturday
Outdoors	40 Seats	7:30 a.m. – 10 p.m., daily
Total Seats	197 Seats	

Background

In October, 1998 City Council approved DSUP#98-0003 for the construction of the Saul Center, a commercial development consisting of two, multi-story office buildings with ground level retail and shared parking. In September 2000, City Council approved SUP #2000-0097 to allow a 107 seat restaurant, known as Sizzling Express, to open at the subject site. Subsequently, in May 2002 City Council approved SUP #2002-0018 to allow an increase in the number of seats to 131 restaurant seats. In March 2008, staff administratively approved SUP #2008-0008 for a change of ownership for the restaurant use. However by March 2009 the restaurant, known as Sizzling Express, closed. The subject site remained vacant until City Council approved SUP #2011-0043 in September

2011 to allow a 197 seat restaurant, known as Teaism, to open. City Council simultaneously approved a 13 space parking reduction for the restaurant use. The restaurant known as Teaism was in operation until April 2016 when it closed. As the current applicant is requesting a change of ownership within two years of the previous restaurant's closing, Section 11-506(B) indicates that the previous SUP, SUP #2011-0043 is valid and can be transferred through a change of ownership to the current applicant.

Parking

Section 8-200(A) (8) of the zoning ordinance requires restaurants to provide one off-street parking space for each four restaurant seats. However Section 11-513(M) (3) of the Zoning Ordinance also waives the parking requirement for the first 20 outdoor dining seats. Therefore the applicant's 157 indoor seats and 40 outdoor seats would be required to provide 45 off-street parking spaces. In addition the applicant would be required to provide one off-street parking space for the proposed delivery vehicle, bringing the total to 46 off-street parking spaces. In September 2011, City Council granted a parking reduction of 13 spaces under SUP#2011-0043. The applicant's net requirement of 33 parking spaces is met by the on-site parking garages at the Saul center which contain a total of 209 available parking spaces.

Community Outreach

Public notice was provided through eNews, via the City's website, and by posting a placard on the site. In addition, the Shad Row Homeowners Association, Portner's Landing Condominium Association, Port Royal Condominium Association, Old Town Civic Association, North Old Town Independent Citizens Civic Association, and the Old Town Business and Professional Association were sent an e-mail with information about the current application. Staff has not received any comments from residents or adjacent businesses that would require the case to be heard through a full-hearing SUP.

Staff Action

Staff supports the Change of Ownership request and finds the continued use of the subject site as a restaurant consistent with the site's zoning.

Staff has carried forward the previous conditions and replaced Condition #18 with updated language in Conditions #22 & #23. Condition #22 requires the applicant to encourage public transportation use among employees by establishing an employee transportation benefits program and Condition #23 promotes alternative forms of transportation. Condition #24 was added to encourage the applicant to post information about off-street parking for patrons of the restaurant.

Staff hereby approves the Special Use Permit request.
